1

You are on the beach chasing a butterfly, when you see a red and cream puppy, along with a bigger Black and white puppy with three other puppies, what do you do?

* **Go see them.** => 2

* **Don't go see them** => 3

2

They introduced them selves, and once you introduced yourself as Balto the wolf-dog, the four male pups started to tease you, what do you do?

* **Run away and never come back.** => 3

* **Pick a fight with Steele, the black and white dog.** => 4

3

Game over!

4

You lunge at Steele, and grab him by the neck, but Jenna wants you to stop. What should you do?

* **Stop. If the pretty girl wants you to, you'll do it.** => 5

* **Keep fighting, nobody'll care, it'll teach him a lesson.** => 6

5

You stop, and run away. You're very embarrassed. You wait a while before coming back. Then you try to talk to Jenna.

* **NO! Don't talk to Jenna.** => 3

* **Talk to her, maybe she can help.** => 7

6

Steele comes back and gets you. he bites you, and you lose. You look bad in front of Jenna, and Steele and his gang are going to gossip about it. You can't go back to Nome now, you have to find another town.

GAME OVER!

7

You tell her everything. She tells you that you were brave, but you knew when a fight gets too out of control. She likes you. You tell her goodbye, and now you know that you have a new puppy playmate, and a dog to talk to.

* **Should you tell Boris? YES!** => 8

* **No, he doesn't care. You just keep talking to her and eventually grow up.** => 3

8

He gets excited and tells you that you need to talk to her more, but not to fight that crazy mutt they call Steele anymore. You deserve to be the one that is all popular, Steele, going to grow up to be a big mean dog who hates you, but not to worry.

* **Keep seeing Jenna** => 9

* **Pick a fight with Steele** => 6

9

You keep talking to her, and one day, as full grown adults, you bump into each other. It had been a few months since you'd seen her last, and she was pretty. What should you do?

* **be a gentleman, appologize.** => 10

* **Run away, you don't care about her anymore. her and every other dog still hates ...** => 3

10

You excuse yourself, the go back to the boat with Boris. You talk about her, and then you go and find her in the hospital. You then take her into the boiler room, and then...

You should know the rest of the story!
