- " Everett sighs,

- "You give that girl to much freedom. I can make some suggestions . . ." Rebecca cuts him off,

- "Let me give you some suggestions Buster! First, suggest you get out of my way so I can call the

police!" Secondly, I suggest you call a doctor for yourself. You will need one shortly."

You like the way this argument is playing in your favor.

- "Mommy here I am!" You call cheerfully.

- "Oh Molly! Honey! You scared Mommy!" She drops to her knees to give you a hug. Everett says soothingly,

A soggy Baloo asks pulling himself from the water. You sob, "I don't want Mommy to like Everett!" "Aww, come here Cupcake" Baloo croons engulfing you with his huge hands, "You can't make your mama do what she doesn't want to. Have you talked to her yet?" "Sniff . . .No" you meekly reply. "Well your mama's probably worried sick. Let's call her and tell her where you are." You, Baloo and Kit head into Higher for Hire to call your mother.

Baloo rings your mother's apartment line. He indignantly barks,

- "Howdy Beckers!"

- "Oh Baloo, I am so glad you called. Molly has ran away and Everett he let her and didn't tell me she had left and I am . . . Could you help me look for her? Please?"
